

# **Hazlerigg Parish Council**

## **Annual Report 2006 - 2007**

The Parish Council has continued to campaign to seek improvements to the environment in and around Hazlerigg.

The Parish Council together with the City Council has achieved an improvement in the floral display in the Village which will hopefully be much in evidence this summer

Council House Tenants have had external improvements to their homes and await a similar package of internal improvements under the Decent Homes Standard scheme.

The future of the Village Hall has been of concern during the year. The Parish Council took the decision to give significant financial support to the Village Hall Committee to ensure it remains open and available for use by the youth club and the wider community. The Parish Council will be seeking to offer continued support and help promote the use of the Hall during this year.
